

CHEERS AND JEERS

***Greece Post* – October 8, 2009**

A CHEER ... to the Greece and Hilton Rotary Clubs, which recently sponsored a literacy project. The two groups distributed dictionaries to third graders at Kirk Road Elementary on September 15th. The clubs are in the third year of a five-year project to give a dictionary to every third-grader in the Greece and Hilton school districts. In 2007 and 2008, the two clubs gave out 3,000 dictionaries and this year will hand out about 1,400.
