

GREECE ROTARY

Greece Rotary serves the needs of the local community as well as those of the region, nation, and the world. With support from local businesses and community members they are able to...

give \$50,000 to Unity Hospital to build a Helipad (Spring 2011),

provide special needs children an opportunity to play baseball in the Challenger Little League, culminating in a "World Series" at Frontier Field,

provide special needs children two weeks of fun at Camp Haccamo,

landscape a large garden at the Rotary Sunshine Campus,

provide dictionaries to all third graders in the Greece district,

and host a Christmas party for students with special needs - Rotarians and Interact students (Jr. Rotary Club) help serve and entertain the kids.
